Docket No. GP-100C1
Serial No. 08/860,844Remarks

Claims 28, 57, 58 and 62-65 were previously pending in the subject application. By this Amendment, claims 63-65 have been amended. Accordingly, claims 28, 57, 58 and 62-65 remain before the Examiner for his consideration. Support for these amendments can be found throughout the subject specification and in the previous claims. The amendments to the claims have been made in an effort to lend greater clarity to the claimed subject matter and to expedite prosecution. These amendments should not be taken to indicate the applicants' agreement with, or acquiescence to, the rejections of record. Favorable consideration of the claims now presented, in view of the remarks and amendments set forth herein, is earnestly solicited.

This paper is being resubmitted in response to a Notice of Non-Compliant Amdment.

In view of the foregoing remarks and the amendments above, the applicants believe that the currently pending claims are in condition for allowance, and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

The applicant also invites the Examiner to call the undersigned if clarification is needed on any of this response, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion.

Respectfully submitted,

David R. Saliwanchik

Patent Attorney
